Mona Delahooke, Ph.D.

Mona M. Delahooke, Ph.D. is a clinical psychologist specializing in infant and toddler development. She has worked in various settings in the field of mental health since 1980 including the Glendale Adventist Medical Center, the Behavior in Babies Clinic at Children's Hospital, Los Angeles, and the Interdisciplinary Training Institute. With a special focus on early childhood development, she holds a certificate and is a faculty member of the National DIR® Institute and the Southern California Regional DIR® Institute, part of the Interdisciplinary Council on Developmental and Learning Disorders. Currently in private practice in Arcadia, California, she consults with parents, preschools, regional centers and school districts in the areas of neurodevelopmental screening, assessment, training and intervention in children under the age of five.
