II. BACKGROUND

In 1998, California voters passed Proposition 10, which levied a 50-cent per pack tax on all tobacco products. The resulting tax revenues were earmarked within each county in California to enhance the early growth experiences of children, enabling them to be more successful in school and ultimately to give them an equal opportunity to succeed in life. In Los Angeles County, First 5 LA (also known as the Proposition 10 Commission) was formed as a public entity to develop and oversee various early childhood initiatives and to administer and manage its share of the funding from Proposition 10. Since 1998, First 5 LA has invested over $871 million to champion health, education, and safety causes concerning children prenatal through five and their families. Additional information regarding First 5 LA may be found at http://www.first5la.org.

First 5 LA Fiscal Year 2009–2015 Strategic Plan

In June 2009, the First 5 LA Board of Commissioners adopted its FY 2009–2015 Strategic Plan entitled Strengthening Families and Communities in L.A. County. This Plan incorporates lessons learned from the first 10 years of First 5 LA’s grantmaking and research, which reveal not only the importance of supportive and informed parents and caregivers to a young child’s quality of life, but also the role of safe and supportive neighborhoods, or places, to that child’s development.

As a result, this new plan represents a major shift in First 5 LA’s grantmaking from an initiative-based to a place-based approach. This new approach will allow First 5 LA to focus on strengthening families while fostering the communities’ ability to create and sustain safe and nurturing places for children to grow and thrive.

In the Plan, the Commission established four specific outcomes that it seeks for young children in L.A. County. These outcomes are defined in the Plan as four long-term goals of ensuring that children:

- Are born healthy
- Maintain a healthy weight
- Are safe from abuse and neglect
- Are ready for Kindergarten

All of First 5 LA’s investments will be focused on changing outcomes in these areas.

First 5 LA’s place-based efforts, to be known as Best Start, will be implemented in the following target communities:

1. Central Long Beach
2. Compton, East Compton
3. East Los Angeles (includes City Terrace, Commerce and parts of Monterey Park)
4. El Monte, South El Monte
5. Lancaster
6. Metro LA (110/10 Freeway Corridor)
7. Pacoima
8. Palmdale
9. Panorama City
10. South Los Angeles/Broadway-Manchester
11. South Los Angeles/West Athens
12. Southeast L.A. County Cities (including Bell, Cudahy, Bell Gardens and Maywood)
13. Watts, Willowbrook
14. Wilmington
For more information about the community selection process, visit the First 5 LA website at www.first5la.org/articles/strategic-plan-community_selection-principles.

First 5 LA has selected three types of implementation strategies to accomplish these goals:

1. **Family Strengthening**: Within each of the target communities, these direct services will impact children’s most essential influence — their family. Home visitation will be a central component of this strategy, along with other types of activities designed to assist caregivers in supporting a child’s development.

2. **Community Capacity Building**: Within the target communities, these strategies will focus on building capacity in the areas of community engagement, community leadership, community infrastructure, and community investment. They will be implemented through a collaborative process designed to strengthen and leverage existing local assets and family resources.

3. **Countywide Strategies**: Through policy, public education and systems change, these strategies are designed to create strong, coordinated and responsive systems that support and assist families with young children within the target communities and across L.A. County.

**Development of a Community Partnership**

In order to maximize the potential for success, First 5 LA’s place-based efforts will be driven and informed by the communities themselves. Community members will determine how best to achieve the four long-term goals for young children and First 5 LA will work with them over a period of years to achieve these changes. Through this process, the communities will develop the capacity to continue making desired changes on their own well into the future.

This will require an initial and intensive community planning process. Each target community will select a fiscal agent and a community facilitator who will play a pivotal role in guiding the community through the planning process. This process will culminate with the community partnership submitting to First 5 LA a written proposal for a multi-year implementation plan. The proposal will include a detailed plan of action including scopes of work and budgets.

The planning process will include: regular collaborative meetings, community assessment, ongoing capacity building and training on effective collaboration, finalizing community boundaries, development of a community decision-making process and preparation for communities to engage in community-driven research. Although there will be adjustments for certain communities based on their readiness, First 5 LA will engage simultaneously in all of the target communities listed above.

Through this Request For Vendors (RFV), First 5 LA seeks to develop a pool of pre-approved vendors that are eligible to provide services in a number of areas including: catering, child care, event planning, facilities, interpretation, and transportation. A potential vendor may apply for each area for which they are qualified. Being selected as an approved vendor does not guarantee a contract or work with First 5 LA.

Applications will be considered from individuals, non-profit or for-profit agencies, and/or public or private organizations. VII. REVIEW CRITERIA AND SELECTION PROCESS

General
Applicants must review the First 5 LA Contract Boilerplate in detail. It is imperative that all applicants review the contract language in detail and fully understand contractual obligations should they be selected as a vendor for a project. Applicants will be required to accept the contract language as specified in this boilerplate at the time of their submission of qualifications.

Selection Process

1. First 5 LA staff will evaluate all applications for completeness and minimum qualifications. Basic requirements include: timely receipt of application, inclusion of all appropriate attachments, etc. Applications with omissions of any required documentation are subject to disqualification. Applicants may use the Application Checklist (Appendix A) as an aid in preparing the application. Please note that the Application Checklist is merely an aid.

2. After initial review, applicant’s qualifications will be evaluated and scored by a panel of external reviewers. As part of this review process, the panel may contact an applicant’s references.

3. As a public entity, the Commission has a responsibility to the public to ensure that the organizations are financially stable to provide services. Further written materials regarding the financial stability of the agency may be requested by our finance department prior to the interview.

4. Some or all of the applicants who have submitted complete and responsive applications may be interviewed. If applicants are interviewed, the interviews are scheduled to be held on dates shown in Section I (Timeline for Selection Process). These dates are subject to change at First 5 LA’s sole discretion. All applicants must advise First 5 LA staff of their availability during these days. Interviews will be held either at First 5 LA

5. Qualified vendors that pass the review and agree to First 5 LA’s contract terms will be accepted into the vendor pool. The following are the selection criteria that will be used to evaluate applicants to the First 5 LA consultant pool:

Review Criteria

First 5 LA will accept into the vendor pool those vendors that have the expertise and qualifications outlined in the RFV. Applicants will initially be evaluated by a panel of external reviewers. Following this evaluation, First 5 LA staff may conduct interviews (either in person or on the phone) with the applicants recommended by the reviewers. Vendor(s) selections will be based on, but not limited to, evaluation of the following factors:

- Quality and range of samples
- Breadth and experience as a vendor
- Quotes submitted
- References from clients
- Interview answers (if applicable)

First 5 LA reserves the right, without prejudice, to reject any or all submitted qualifications. An appeals process is not available — all decisions of First 5 LA are final.

VIII. TERMS OF PARTICIPATION & CONTRACTUAL CONSIDERATIONS

1) Terms of Participation

1. **Acceptance into the vendor pool is not a guarantee of work.** For those vendors who are accepted into the vendor pool, work will be solicited based on First 5 LA needs. Best Start staff will select vendors from the pool based on qualifications and availability, and other criteria as specified at the time of the solicitation. The selected vendors and Best Start staff will negotiate a scope of work and final budget during the contracting process.

2. The term of membership in this pool, and the term of any contracts issued to members of this pool, is **12 months**. The vendor pool will be reassessed every year in the month of April from the time of contract enactment. During reassessment, vendors in the pool will be offered the opportunity to renew their contracts for the following fiscal year for an additional one year at the sole discretion of the Commission. Additionally, an RFV will be posted for additional applicants to the pool.

3. Vendors will not be bound to remain in the pool, and vendors may exit at any time by mailing a signed, original letter to First 5 LA. Accepted vendors are not bound to accept work solicited by First 5 LA. However, vendors in the pool will be required to abide by the contractual considerations outlined in the First 5 LA vendor agreement boilerplate language (see Appendix F).
4. The Commission may, at its sole discretion, reject any or all submissions in response to this RFV. An appeals process is not available, but declined applicants may reapply the following year.

5. The Commission reserves the right to amend the Best Start Vendor Pool as needed to best meet the needs of all parties. At the Commission's discretion, vendors may be revised or removed.

6. All work solicited from the vendor, including promotional items, artwork, any data collected, or any analysis in the course of any project, in whatever form, shall be the sole property of the Commission.

2) Contractual Considerations

Specific contractual considerations, including but not limited to the following, apply to RFV submission process and project implementation and to any contracts that result from the submission and implementation of the project/proposal. The vendor will need to comply will all of the provisions in the attached sample vendor agreement (see Sample Vendor Agreement).

A. Conflict of Interest

The selected vendor will be required to comply with the COMMISSION's Conflict of Interest provisions, as outlined in the vendor agreement, and as applicable under California Law. Vendor acknowledges that he/she/it is acting as public official pursuant to the Vendor and shall therefore avoid undertaking any activity or accepting any payment, employment or gift from any third party that could create a legal conflict of interest or the appearance of any such conflict. A conflict of interest exists when one has the opportunity to advance or protect one’s own interest or private interest of others, with whom one has a relationship, in a way that is detrimental to the interest, or potentially harmful for the integrity or fundamental mission of the COMMISSION. Vendor shall maintain the confidentiality of any confidential information obtained from the COMMISSION during the vendor agreement and shall not use such information for personal or commercial gain outside the vendor agreement. By agreeing to the vendor agreement and accepting financial compensation for services rendered hereunder, vendor agrees that he/she/it will not subsequently solicit or accept employment or compensation under any program, grant or service that results from or arises out of the funded project and related initiative(s). During the term of the vendor agreement and for one year thereafter, vendor will not knowingly solicit or accept employment and/or compensation from any COMMISSION collaborator or vendor without the prior written consent of the COMMISSION.

B. Compliance

Current/Former grantees and/or Contractors must be in good standing and in compliance with all aspects of their contract with the COMMISSION in order to be eligible to apply for the current RFV. The COMMISSION may deem an applicant ineligible if it finds in its reasonable discretion, that applicant has done any of the following, including but not limited to: (1) violated any significant terms or conditions of Grant Agreement/Contract; (2)
committed any act or omission which negatively reflects on Applicant’s quality, fitness or capacity to perform services listed in RFV with the COMMISSION or any other public entity, or engaged in a pattern or practice which negatively reflects on the same; (3) committed an act or offense which indicates a lack of business integrity or business dishonesty; or (4) made or submitted a false claim against the COMMISSION or any other public entity.

C. Contract Information

1. The COMMISSION may, at its sole discretion, reject any or all submissions in response to this RFV. The COMMISSION also reserves the right to cancel this RFV, at its sole discretion, at any time before execution of a contract. The COMMISSION shall not be liable for any costs incurred in connection with the preparation of any submissions in response to this RFV. Any cover letters, résumés, and/or curriculum vita, including attached materials, submitted in response to this RFV shall become property of the COMMISSION and subject to public disclosure.

2. The agency/organization submitting an application agrees that by submitting an application it authorizes the COMMISSION to verify any or all information and/or references given in the application.

3. The COMMISSION reserves the right, after vendor agreement award, to amend the resulting vendor agreement, scope of work, and any other exhibits as needed throughout the term of the contract to best meet the needs of all parties.

4. The COMMISSION reserves the right to request additional financial information to verify applicant’s past and current financial status. This information includes, but is not limited to: the most recent independent audit ending Calendar Year 2010 Fiscal Year June 30, 2010, Cash Flow Statement, Statement of Activities (Income Statement), and Statement of Financial Position (Balance Sheet).

5. Consistent with the intent of Proposition 10: California Children and Families Act of 1998, no monies for this Project may be used to supplant Federal, State, County and/or other monies available to the organization for any purpose. Activities funded under this proposal must be new or enhancements to existing activities.

6. The award of a vendor agreement by the COMMISSION to an individual/agency/organization that proposes to use sub contractors for the performance of work under the contract resulting from this application process shall not be interpreted to limit the COMMISSION’s right to approve subcontractors, assemble teams and/or assign leads. Each applicant will be evaluated independently for added value to the overall team. A copy of executed subcontract(s) related to Program funding must be provided to the COMMISSION.

7. The selected vendor will be required to sign the contract within seven (7) days of the intended start date of the vendor agreement, as outlined in Terms of Contract section, to assure the timely completion of the signature process by all parties. If the contract is not signed prior to the intended start date, the commencement of any activities under the Exhibit A – Scope of Work will not begin until the contract execution date (the date
all parties have signed the contract) and Contractor will not be eligible to obtain reimbursement for any costs incurred prior to the contract execution date, unless otherwise approved by the COMMISSION in writing. If this Contract is not signed within the seven day (7) period from the intended start date, the COMMISSION has the right to withdraw the contract award. Any agreed upon changes to the intended start date must be confirmed in writing by both parties.

8. Unless otherwise submitted during the application process, the selected Contractor will be required to submit the required documentation listed on the Contractor Checklist, which includes, but not limited to, the following documents before the Contract can be fully executed:

- Certificates of Insurance for all insurance requirements outlined in the contract.

9. Per the COMMISSION’s Policy and Guidelines for Hiring Consultants (Section 7), the total composite rate for a Consultant may not exceed $150 an hour. This means that the total cost of billable hours associated with a contract divided by the total number of hours billed must be equal to or less than $150. A blended rate is allowable. For example, for a contract totaling $150,000, a consultant may bill 500 hours for Consultant A at $200/hour, and 500 hours for Consultant B at $100/hour, with a total composite rate of $150/hour (1,000 total hours divided by $150,000 in billable hours = $150/hour)

10. The sample vendor agreement and contracting requirements are attached (See Sample Vendor Agreement). If successful, the Contractor will be required to meet all of the terms and provisions set forth in these documents and within the timeframe identified.
