IV. TERM OF CONTRACT

The term of this Contract shall be from the effective date, as set forth in the introductory clause, through June 30, 2015 (“expiration date”), unless sooner terminated pursuant to this Contract. COMMISSION may revise the term of this Contract prior to final execution of this Contract by all parties.

V. COMPENSATION AND METHOD OF PAYMENT

A. Compensation. As full compensation for the deliverables provided under this Contract, and subject to a total not-to-exceed amount of ONE HUNDRED FORTY FIVE THOUSAND DOLLARS AND NO CENTS ($145,000), COMMISSION shall pay CONTRACTOR per COMMISSION approved deliverable in accordance with rates set forth in the Budget Forms, attached as Exhibit B, and in accordance with the payment terms set forth in Paragraph C of this Section V. If CONTRACTOR partially achieves a deliverable required under this Contract, COMMISSION, in its sole discretion, may pay a prorated portion of the fixed price for the deliverable if (i) COMMISSION approves the partial deliverable and (ii) the partial deliverable is useful to COMMISSION. If CONTRACTOR exceeds its budget in the performance of the work required under this Contract, CONTRACTOR shall, at no additional cost to COMMISSION, remain solely responsible for CONTRACTOR’s completion of the work and provision of the deliverables required under this Contract to COMMISSION. Any additional work authorized by COMMISSION shall be compensated at a rate mutually agreed to by the parties.

C. Method of Payment. CONTRACTOR shall submit to COMMISSION invoices for COMMISSION approved deliverables or tasks provided to COMMISSION by CONTRACTOR pursuant to this Contract in accordance with the schedule set forth in Exhibit C and utilizing an invoice form provided to CONTRACTOR by COMMISSION. 1. Commercial General Liability coverage with minimum limits of one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in the aggregate. Coverage shall be at least as broad as Insurance Services Office (ISO) Form CG 00 01.

2. Auto Liability coverage on ISO Business Auto Coverage forms for all owned, non-owned, and hired vehicles with a combined single minimum limit of one million dollars ($1,000,000) per accident. For vehicles funded by this Contract that COMMISSION has an ownership interest in, automobile physical damage shall be required on an actual cash value basis for comprehensive and collision coverage with maximum deductibles of one thousand dollars ($1,000) per accident and COMMISSION shall be named as Loss Payee, as COMMISSION’s interest may appear.

3. Workers’ Compensation Insurance as required by the State of California and with minimum statutory limits and Employers’ Liability Insurance with a minimum limit of one million dollars ($1,000,000) per accident for bodily injury or disease.

4. Professional Liability coverage with a minimum limit of one million dollars ($1,000,000) per occurrence or claim and two million dollars ($2,000,000) in annual aggregate. If the policy is on a claims-made basis, the retroactive date must be before the effective date of this Contract or the beginning of CONTRACTOR’s performance of work under this Contract. CONTRACTOR shall maintain the insurance for three (3) years after the completion of CONTRACTOR’s work under this Contract and if the coverage is cancelled or non-renewed and not
placed with another claims-made policy with a retroactive date prior to the effective date of this Contract or the beginning of CONTRACTOR’s performance of work under this Contract, CONTRACTOR must purchase extending reporting coverage for a minimum of three (3) years after the completion of CONTRACTOR’s work under this Contract.

5. Property Liability coverage on real and personal property on a replacement cost basis, written on a Special Causes of Loss form, including earthquake and flood coverage, and with a maximum deductible of one thousand dollars ($1,000) per occurrence. 6. Crime Liability coverage with a minimum limit of twenty-five thousand dollars ($25,000) covering loss of money, securities or other property as a result of employee dishonesty, forgery or alteration, theft, disappearance and destruction, computer fraud, burglary or robbery. B. The policies of insurance required under this Section XV shall be issued by insurers authorized to do business in the State of California, with a minimum A.M. Best’s Insurance rating of A:VII, unless otherwise approved in writing by COMMISSION’s Executive Director.

C. The Commercial General Liability and Auto Liability policies, are to contain or be endorsed to contain the “Los Angeles County Children and Families First – Proposition 10 Commission”, or if abbreviated, “LA Cty Prop 10 Commn.”, its officers, agents, consultants and employees as additional insureds with respect to liability and defense of claims arising out of work or operations performed by or on behalf of CONTRACTOR.

D. The Commercial General Liability and Auto Liability policies shall be or endorsed to be primary and non-contributing as respects the “Los Angeles County Children and Families First – Proposition 10 Commission”, or if abbreviated, “LA Cty Prop 10 Commn.”, its officers, agents, consultants and employees. All insurance coverage shall be provided on a “pay on behalf” basis, with defense costs payable in addition to policy limits. There shall be no cross liability exclusion on any policy of insurance.
E. No policies of insurance provided to comply with this Section XV shall prohibit CONTRACTOR, or CONTRACTOR’s employees or agents, from waiving the right of subrogation prior to a loss. CONTRACTOR waives any right of subrogation that CONTRACTOR or CONTRACTOR’s insurer may acquire against COMMISSION. CONTRACTOR shall obtain any endorsement that may be necessary to effect this waiver of subrogation. CONTRACTOR’s failure to provide COMMISSION with a waiver of subrogation endorsement from CONTRACTOR’s insurer(s) shall not relieve CONTRACTOR of its obligations under this Paragraph E.

F. The policies of insurance required under this Section XV shall be endorsed to state that should the policy be suspended, voided, modified, terminated, or non-renewed the insurer will endeavor to provide thirty (30) days’ prior written notice to COMMISSION. If the policies of insurance required under this Section XV are suspended, voided, modified, terminated or non-renewed, CONTRACTOR shall, within two (2) business days of notice from the insurer(s), notify COMMISSION by phone, fax or certified mail, return receipt requested of the suspension, voiding, modification, termination or non-renewal of the policies.

G. The requirements of specific coverage features or limits contained in this Section XV are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance policy. Specific reference to a given coverage feature is for purpose of clarification only and is not intended by any party to be all inclusive, or to the exclusion of any other coverage, or a waiver of any type.

H. The requirements of this Section XV shall supersede all other sections and provisions of this Contract to the extent that any other section or provision conflicts with or impairs this Section XV.

I. All insurance coverage and limits provided by CONTRACTOR and available and applicable to this Contract shall apply to the fullest extent of the policies. Nothing in this Contract shall be interpreted as limiting the application of insurance coverage as required under this Section XV.

J. CONTRACTOR shall deliver certificates or other evidence of insurance coverage and copy(ies) of additional insured endorsement(s) and/or loss payee endorsement(s), as applicable, to COMMISSION at the address set forth in Section XXIV prior to CONTRACTOR’s performance of
work under this Contract. Any actual or allege failure on the part of COMMISSION or any other additional insured under these requirements to obtain evidence of insurance required under this Contract in no way waives any right or remedy of COMMISSION or any additional insured in this or any other regard.

K. CONTRACTOR may submit evidence of adequate self-insurance as a substitute for the policies of insurance required under this Section XV subject to the approval of COMMISSION’s Executive Director. CONTRACTOR shall submit to COMMISSION a copy of the self-insured certificate.

L. CONTRACTOR shall require all subcontractors performing work under this Contract to comply with all insurance requirements set forth in this Section XV. CONTRACTOR shall obtain certificates or other evidence of insurance coverage and copy(ies) of additional insured endorsement(s) and/or loss payee endorsement(s), as applicable, from all subcontractors and assumes all responsibility for ensuring that coverage is provided by subcontractors in conformity with the requirements of this Section XV.

M. CONTRACTOR’s failure to maintain the policies of insurance required under this Section XV shall constitute a breach of this Contract for which COMMISSION may terminate this Contract pursuant to Paragraph B of Section XXI of this Contract or secure alternate insurance at CONTRACTOR’s expense.

XVI. INDEMNIFICATION

A. Indemnity for Professional Liability. When the law establishes a professional standard of care for CONTRACTOR’s work, and to the fullest extent permitted by law, CONTRACTOR shall defend, indemnify and hold harmless COMMISSION, its officials, officers, employees, servants, designated volunteers and agents serving as independent contractors in the role of COMMISSION officials (collectively “Indemnitees”), from and against any liability, claim, damage, demand, suit, cause of action, proceeding, judgment, penalty, lien, loss, expense or cost of any kind, including reasonable fees of accountants, attorneys and other professionals, and all costs associated therewith (collectively, “damages”), whether actual, alleged or threatened, arising out of, pertaining to, or relating to any negligent or wrongful act, error or omission of CONTRACTOR, its officers, agents, employees, subcontractors, or any entity or individual that CONTRACTOR bears legal liability thereof, in the performance of
professional services under this Contract. CONTRACTOR shall defend Indemnitees in any action or actions filed in connection with any such damages with counsel of COMMISSION’s choice and shall pay all costs and expenses, including actual attorney’s fees, incurred in connection with such defense.

B. Indemnity for Other than Professional Liability. To the full extent permitted by law, CONTRACTOR shall defend, indemnify and hold harmless Indemnitees from and against any liability, claim, damage, demand, suit, cause of action, proceeding, judgment, penalty, lien, loss, expense or cost of any kind, including reasonable fees of accountants, attorneys and other professionals, and all costs associated therewith (collectively, “claims”), whether actual, alleged or threatened, arising out of, pertaining to, or relating to CONTRACTOR’s performance of this Contract, including the Indemnitee’s active or passive negligence, except for claims arising from the sole negligence, recklessness or willful misconduct of Indemnitees, as determined by final arbitration or court decision. CONTRACTOR shall defend Indemnitees in any action or actions filed in connection with any such claims with counsel of COMMISSION’s choice and shall pay all costs and expenses, including actual attorney’s fees, incurred in connection with such defense.

C. Survival. The terms of this Section XVI shall survive the expiration or termination of this Contract.

XVII. ACCOUNTABILITY

A. CONTRACTOR shall perform the work and provide the deliverables required under this Contract under the direction of COMMISSION’s Executive Director and COMMISSION staff (the “designated COMMISSION staff”). COMMISSION’s Executive Director or the designated COMMISSION staff shall ensure that CONTRACTOR performs the work and provides deliverables in compliance with the terms and timelines set forth in Exhibits A and C. CONTRACTOR shall copy all written communications related to the performance of work under this Contract to the designated COMMISSION staff. CONTRACTOR shall update the designated COMMISSION staff concerning the performance of work under this Contract, including, completing and submitting deliverables. If CONTRACTOR fails to achieve a performance objective by the due date set forth in Exhibits A and C, CONTRACTOR shall notify the designated COMMISSION staff of CONTRACTOR’s failure within thirty (30) calendar days after the due date by submitting a written plan detailing the corrective
action steps CONTRACTOR proposes to take to achieve the performance objective and the time period required for reporting and compliance (“Corrective Action Plan”), unless COMMISSION relieves CONTRACTOR of its obligations to submit a Corrective Action Plan. Corrective Action Plans are subject to COMMISSION’s approval. CONTRACTOR’s failure to timely submit a Corrective Action Plan required under this Paragraph A shall be deemed a material breach of this Contract. If CONTRACTOR fails to comply with an approved Corrective Action Plan, COMMISSION may place CONTRACTOR in non-compliant status in accordance with the Compliance Guidelines, attached as Exhibit F.

B. If applicable, COMMISSION shall make relevant, non-confidential and non-privileged information available and accessible to CONTRACTOR to assist in CONTRACTOR’s successful completion of the work and deliverables required under this Contract.

C. CONTRACTOR shall provide any deliverables required under Exhibits A and C to the designated COMMISSION staff within and by the timelines required under Exhibits A and C and with the highest degree of quality and service to COMMISSION.

D. CONTRACTOR shall conduct itself and its performance of work under this Contract in an ethical manner, with high integrity and with respect for the individuals involved in the performance of this Contract.

E. COMMISSION, in its sole discretion, may conduct internal evaluations and reviews of CONTRACTOR’s performance of work under this Contract. CONTRACTOR shall comply with COMMISSION’s inquiries and requests arising out of the evaluations. The evaluation(s) shall include, but are not limited to, contract compliance and the effectiveness of CONTRACTOR’s performance of the work and provision of deliverables required under Exhibits A and C and this Contract. COMMISSION may modify this Contract based on the results of the COMMISSION’s evaluation(s) and review(s).

F. If applicable to the performance of work under this Contract, CONTRACTOR shall comply with California Public Contract Code Section 3410, which requires preference to United States-grown produce and United States-processed foods when there is a choice and it is economically feasible to do so.
G. If applicable to the performance of work under this Contract, CONTRACTOR shall comply with California Public Contract Code Section 22150, which requires the purchase of recycled products, instead of non-recycled products, whenever recycled products are available at the same or lesser total cost than non-recycled items. CONTRACTOR may give preference to suppliers of recycled products and may define the amount of this preference.

H. CONTRACTOR shall provide COMMISSION with timely notification of any major changes to CONTRACTOR’s financial system, primary funding sources or overall organization funding that may negatively impact CONTRACTOR’s ability to perform the work required under this Contract.

XVIII. INTERPRETATION AND JURISDICTION

This Contract, and any dispute arising from the relationship between the parties to this Contract, shall be governed by California law. Any dispute that arises under or relates to this Contract (whether contract, tort or both) shall be resolved in a state court in Los Angeles County, California.

XIX. COMPLIANCE WITH APPLICABLE LAWS

CONTRACTOR shall conform to and abide by all applicable local, state and federal laws, regulations and ordinances, and licensing and accrediting authorities, in the performance of this Contract, including standards of professional ethics governing the use of assessment tools and standards governing the provision of services via the Internet and telephone and the dissemination of information and educational materials. CONTRACTOR’s failure to comply with such laws, ordinances, codes, regulations and authorities shall be deemed a material breach of this Grant Agreement.

XX. LIMITATION OF COMMISSION OBLIGATIONS DUE TO LACK OF FUNDS

A. COMMISSION’S payment obligations pursuant to this Contract are payable solely from funds appropriated by COMMISSION for the purpose of this Contract. CONTRACTOR shall have no recourse to any other funds allocated to or by COMMISSION. CONTRACTOR acknowledges that the funding for this Contract is limited to the term of the Contract only, with no future funding promised or guaranteed.

B. COMMISSION and CONTRACTOR expressly agree that full funding for this Contract over the term of this Contract is contingent on the
continued collection of tax revenues pursuant to Proposition 10 and the continued allocation of Los Angeles County’s share of those revenues to COMMISSION. In the event of any repeal, amendment, interpretation, or invalidation of any provision of Proposition 10 that has the effect of reducing or eliminating COMMISSION’s receipt of Proposition 10 tax revenues, or any other unexpected material decline in COMMISSION’s revenues, COMMISSION may reduce or eliminate funding for this Contract at a level that is generally proportionate to the elimination or reduction in the COMMISSION’s receipt of Proposition 10 tax revenues.

XXI. TERMINATION OF WORK

A. Termination without Cause. Either party may terminate this Contract by giving written notice to the other party at least thirty (30) calendar days before the termination is to be effective. COMMISSION shall compensate CONTRACTOR for work and deliverables satisfactorily rendered to the effective date of termination. Neither party shall have any other claim against the other party by reason of such termination.

B. Termination for Cause. Either party may terminate this Contract for cause, effective immediately, by giving written notice to the other party. For purposes of this Contract “cause” includes CONTRACTOR’s failure to perform the work or provide the deliverables described in Exhibits A and C and a party’s material breach of any provision of this Contract. COMMISSION shall compensate CONTRACTOR for work and deliverables satisfactorily rendered to the effective date of termination. Neither party shall have any other claim against the other party by reason of such termination.

XXII. ATTORNEY FEES

In any litigation, arbitration or other proceeding by which one party either seeks to enforce its rights under this Contract (whether in contract, tort or both) or seeks a declaration of any rights or obligations under this Contract, the prevailing party shall be awarded reasonable attorney fees, together with any costs or expenses, to resolve the dispute and to enforce the final judgment.

XXIII. RECORDS AND AUDITS

A. CONTRACTOR shall maintain a record for each item of tangible real or personal property of a value in excess of five hundred dollars ($500.00) acquired pursuant to this Contract. The records shall
include the model number, serial number, legal description (if applicable), cost, invoice or receipt, and date acquired.

B. CONTRACTOR shall maintain notes, business records, and working papers (collectively “records”) on file during the term of this Contract and for a period of not less than four (4) years following the expiration or termination of this Contract. COMMISSION may, at any time during CONTRACTOR’s business hours, and upon reasonable notice to CONTRACTOR, (i) conduct site visits to evaluate, audit, inspect and monitor CONTRACTOR’s facilities, program operations and the records maintained in connection with this Contract or (ii) audit and examine the records and require supporting documentation, such as employee timesheets and invoices, to substantiate CONTRACTOR’s invoices. COMMISSION may, upon seven (7) days’ advance written notice to CONTRACTOR, inspect and copy the records. The terms of this Section XXIII shall survive the expiration or termination of this Contract for four (4) years.

This Contract may be supplemented, amended or modified only by a writing signed by both parties. No oral conversation, promise or representation by or between any officer or employee of the parties shall modify any of the terms or conditions of this Contract. COMMISSION shall not be deemed to have approved or consented to any alteration of the terms of this Contract by virtue of COMMISSION’s review and approval of, or failure to object to, contracts or other business transactions entered into by CONTRACTOR.
XXVII. ASSIGNMENT AND DELEGATION

CONTRACTOR may not assign any of its rights or delegate any of its duties under this Contract without COMMISSION’s prior written consent, which consent may be withheld in COMMISSION’s sole and absolute discretion. If COMMISSION consents to CONTRACTOR’s subcontracting of all or a portion of this Contract, CONTRACTOR shall submit to COMMISSION a copy of the subcontract or memorandum of understanding between CONTRACTOR and the subcontractor for COMMISSION’s prior review and approval. Despite COMMISSION’s consent, no assignment or delegation will release CONTRACTOR from any of its obligations or alter any of its primary obligations to be performed under this Contract. Any attempted assignment or delegation in violation of this provision is void and will entitle COMMISSION to terminate this Contract. As used in this Section XXVII, “assignment” and “delegation” means any sale, gift, pledge, hypothecation, encumbrance, subcontract or other transfer of all or any portion of the rights, obligations or liabilities in or arising from this Contract to any person or entity, whether by operation of law or otherwise, and regardless of the legal form of the transaction in which the attempted transfer occurs or any change in CONTRACTOR’s corporate structure, governing body or management.

XXVIII. WAIVER

No delay or omission to exercise any right, power or remedy accruing to COMMISSION under this Contract shall impair any right, power or remedy of COMMISSION, nor shall it be construed as a waiver of, or consent to, any breach or default. No waiver of any breach, any failure or a condition or any right or remedy under this Contract (1) shall be effective unless it is in writing and signed by the party making the waiver; (2) shall be deemed to be a waiver of, or consent to, any other breach, failure of condition or right or remedy; or (3) shall be deemed to constitute a continuing waiver unless the writing expressly so states.

XXIX. ENTIRE AGREEMENT

This Contract and all exhibits referred to in this Contract constitute the final, complete and exclusive statement of the terms of the agreement between the parties and supersedes all other prior or contemporaneous oral or written understandings and agreements of the parties. No party has been induced to enter into this Contract by, nor is any party relying on, any representation or warranty except those expressly set forth in this Contract.
XXX. TIME OF ESSENCE

Time is of the essence in respect to all provisions of this Contract that specify a time for performance; provided, however, that the foregoing may not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Contract.

XXXI. AMBIGUITIES

Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Contract.

XXXII. HEADINGS

The headings in this Contract are included solely for convenience or reference and shall not affect the interpretation of any provision of this Contract or any of the rights or obligations of the parties of this Contract.

XXXIII. SEVERABILITY

If a court or an arbitrator of competent jurisdiction holds any provision of this Contract to be illegal, unenforceable or invalid for any reason, the validity and enforceability of the remaining provisions of this Contract shall not be affected.
