| 1. Degree to which project directly impacts on one or more of First 5 LA’s Policy Agenda goals  
(\textit{up to 10 points})       |        |
| 2. Alignment of project goals with appropriate Tools                                   |        |
| (\textit{up to 10 points})                                                          |        |
| 3. Alignment of project Targets with Tools                                            |        |
| (\textit{up to 10 points})                                                          |        |
| 4. Alignment of project Timeline and Benchmarks against the goals and activities       |        |
| (\textit{up to 5 points})                                                            |        |
| 5. Degree to which applicant accurately assesses policy context and potential challenges |        |
| (\textit{up to 10 points})                                                          |        |
| 6. Degree to which applicant has appropriate capacity and resources to execute project effectively |        |
| (\textit{up to 15 points})                                                          |        |
| 7. Degree to which applicant will be able to leverage additional resources with or to complement the First 5 LA grant |        |
| (\textit{up to 10 points})                                                          |        |
| 8. Degree to which applicant will utilize partnerships and collaborations to execute project, including how well those relationships are developed and defined |        |
| (\textit{up to 10 points})                                                          |        |
| 9. Non-traditional                                                                  |        |
| a. For Non-traditional applicants, degree to which relationship and plan with mentor agency is developed |        |
| b. For Traditional applicants, degree to which there is a plan to work with or outreach to non-traditional sectors |        |
| (up to 10 points)                                                                   |        |
| 10. Degree to which applicant clearly defines evaluation measures and utilization of evaluation findings during and at the completion of the project |        |
| (up to 10 points)                                                                   |        |
