III. ORGANIZATIONAL CAPACITY  20 points

This criterion reflects the need to have adequate capacity to do this kind of study. The applicant will be evaluated based on the organizational capacity to conduct the study including resources and support for conducting the research, writing the report, and managing the advisory committee. Financial capacity will be determined through a review of the applicant’s proposed budget, statement of financial position and other relevant documents if required.

Note: Any notes and/or questions should be included on a separate piece of paper

Score:  (maximum score = 20)
IV. **BUDGET**  

10 points

Applicants submitting proposals must develop budgets that are in line with common business practices. The applicant’s budget and budget narrative should reflect the following:

a. A reasonable price per task, based on experience;

b. A composite hourly rate for all costs that does not exceed $150/hour (see detail in Contracting Considerations, number 9);

c. Tasks assigned to appropriate personnel as to minimize the cost per deliverable while also maximizing the quality of the output;

d. An awareness of the realities of fixed-price budgeting reflected in an appropriate financial accommodation of risk, particularly related to protracted revisions and delayed start dates;

e. A total budget that does not exceed $200,000. It is expected that applicants’ budgets will be clearly justified in the budget narrative and will be appropriate to the work proposed.

Note: Any notes and/or questions should be included on a separate piece of paper
