II. BACKGROUND

ABOUT FIRST 5 LA
In 1998, California voters passed Proposition 10, which levies a 50-cent per pack tax on all tobacco products. The resulting tax revenues were earmarked for the creation of a comprehensive system of information and services to advance early childhood development and school readiness within each county in California. In Los Angeles County, First 5 LA was formed as a public entity to develop and oversee early childhood initiatives and to manage the funding from Proposition 10 (http://www.first5la.org/). Since 1998, First 5 LA has invested more than $800 million to champion and support health, education, and safety issues and programs benefiting young children and families.

In June 2009, the First 5 LA Board of Commissioners adopted a strategic plan to guide its investments through 2015: Strengthening Families and Communities in L.A. County." The plan was developed during a public process that engaged community stakeholders, grantees, commissioners and staff and in conjunction with research in the field of early child development. We believe, and research confirms, that children are strongest when they live in safe and thriving families and neighborhoods. Therefore, First 5 LA will focus on strengthening families, while also building the capacity of communities and organizations to create and sustain nurturing environments for children. This new "place-based approach" will allow First 5 LA to have a deeper impact in select areas, while also supporting countywide objectives, and to better measure the impact of its investments.

THE FIRST 5 LA POOL OF REVIEWERS
First 5 LA is interested in promoting transparency and an unbiased process in the procurement of projects, services and/or products purchased on behalf of the Commission. As a proactive approach, the Commission seeks to create a Pool of External Reviewers in order to assist us with the Level 2 reviews of Request for Proposals (RFP) and Request for Qualifications (RFQ) and Letters of Intent/Interest.

DEPARTMENT OF FINANCE
First 5 LA seeks qualified proposal reviewers to periodically review and score proposals or qualifications for Requests for Qualifications or Proposals relating to the Department of Finance. The Finance Department is responsible for maintaining and monitoring all finance-related activities, as well as providing support in the oversight of financial compliance for First 5 LA and funded agencies. Additionally, the Finance Department is responsible for ensuring that budgets are in alignment with First 5 LA policies and generally accepted accounting practices. In addition to being approved by a representative from the initiating department, each budget must also be approved by the Finance Department prior to the execution of a Grant Agreement or Contract.

As a Finance Department reviewer, you will have the opportunity to be directly involved in determining partnerships for First 5 LA which further the vision of creating and sustaining a future where all young children grow up healthy, are eager to learn, and can reach their full potential.

Selected applicants will be part of a pool of between 7 and 12 qualified Reviewers, who will be asked, on a rotating basis, to participate in the review of proposals or applications that may include the following:
Reviews may consist of Letters of Interest or Intent (LOI) consisting of 2 pages

- Request for Qualifications (RFQ) which may be up to 10 pages
- Request for Proposals (RFP) which may include up to 30-40 pages

If selected, reviewers selected as part of the pool will be assigned a reviewer number and will be contacted when RFP’s and RFQ are posted on the First 5 LA website. Reviewers will maintain the option of declining to participate in any given rotation.

Reviewers will sign a Conflict on Interest statement and confidentiality statement for each project they review.

III. ELIGIBILITY

Applicants responding to this RFQ must demonstrate the qualifications, experience, competency, and ability to successfully provide professional critique of applications or proposals relating to the Department of Finance. Applications will be considered from individuals and/or groups with a presence in California and the capacity to work throughout Los Angeles County.

Knowledge of organizations, programs and systems in the fields of early learning/childhood development, parental education, community engagement, health and social services, Kindergarten readiness, as well as capacity building, sustainability, organizational effectiveness and life cycles is also important.

Non-conflict-of-interest agreements
In accordance with First 5 LA policy, external and internal reviewers sign a Conflict of Interest and Confidentiality Statement. Experts will be required to notify the Commission
in writing of any connection or interest, which could result in a conflict, or potential conflict, of interest related to the review. Experts will be required to notify the Commission as soon as possible of any changes in or additions to the interests already disclosed which occur during the review process. If experts are unsure as to whether an interest should be disclosed, they should discuss the matter with the Commission.

Reviewers will be paid according to the external reviewer rates listed in the table.

V. SELECTION PROCESS

First 5 LA staff will review each application to ensure that basic requirements are met including: timely receipt, format as required, inclusion of all appropriate attachments, etc. Submissions with omissions of any required documentation are subject to disqualification.

Applications will be reviewed by a First 5 LA internal staff team with relevant expertise employing the Review Tool posted with the RFQ. Review tools are adhered to by all staff and external reviewers to mitigate any potential for bias. In accordance with First 5 LA policy, external and internal reviewers sign a Conflict of Interest and Confidentiality Statement.

Reference checks will completed as necessary to complement rankings resulting from the internal and external review process. First 5 LA must be able to contact at least three (3) of the five (5) references provided by the applicant.
