II. BACKGROUND

A. First 5 LA – “Champions for Our Children”

In 1998, California voters passed Proposition 10, which levied a 50-cent per pack tax on all tobacco products. The resulting tax revenues were earmarked for the creation of a comprehensive system of information and services to advance early childhood development and school readiness within each county in California. In Los Angeles County, the First 5 LA Commission was formed as a public entity to develop and oversee various early childhood initiatives and to manage the funding from Proposition 10. Since 1998, First 5 LA has invested over $800 million to support initiatives in all three of its goal areas. Additional information regarding First 5 LA can be found at http://www.first5la.org.

B. The First 5 LA FY 2009-2015 Strategic Plan

In June 2009, the First 5 LA Board of Commissioners adopted its FY 2009–2015 Strategic Plan entitled Strengthening Families and Communities in L.A. County. This Plan incorporates lessons learned from the first 10 years of First 5 LA’s grantmaking and research, which reveal not only the importance of supportive and informed parents and caregivers to a young child’s quality of life, but also the role of safe and supportive neighborhoods, or places, to that child’s development.

As a result, this new plan represents a major shift in First 5 LA’s grantmaking from an initiative-based to a place-based approach. This new approach will allow First 5 LA to focus on strengthening families while fostering the communities’ ability to create and sustain safe and nurturing places for children to grow and thrive.

In the Plan, the Commission established four specific outcomes that it seeks for young children in L.A. County. These outcomes are defined in the Plan as four long-term goals of ensuring that children:

- Are born healthy
- Maintain a healthy weight
- Are safe from abuse and neglect
- Are ready for kindergarten

All of First 5 LA’s investments will be focused on changing outcomes in these areas.

In order to support the efforts of the Commission in the four goal areas of the Plan, the Board of Commissioners approved a public education allocation budget for countywide strategies and place-based efforts. The vendors selected to participate in the vendor pool will support First 5 LA’s public education campaign through their services.
C. The Public Affairs Department at First 5 LA

The Public Affairs department within First 5 LA is responsible for the organization’s internal and external communications and outreach efforts. The department is responsible for all marketing, social media, community outreach, conference funding and outreach to the media. The department oversees the maintenance of various First 5 LA Web sites, the creation of collateral material and advertising, First 5 LA’s weekly e-newsletter as well as supporting the communications needs of various First 5 LA programs and grantees.

III. MEDIA BUYING SUPPORT FOR FIRST 5 LA

The First 5 LA Public Affairs department seeks a media buying agency that will assist the organization in the planning, placement and purchasing of paid advertising and sponsorships with the purpose of creating public awareness of First 5 LA, our programs, grantees and goals. Advertising venues can include, but are not limited to; billboards, bus shelters, television, radio, newspapers (local and community), street teams, online, events, activities and other vehicles. The chosen agency(ies) will respond to requests from First 5 LA to seek advertising opportunities, proposed or suggest advertising opportunities to First 5 LA, or finalize opportunities with specific outlets or organizations previously negotiated by First 5 LA. While the primary role of the media buying agency will be the purchasing of media, the chosen agency(ies) may be called upon to produce or design (or sub-contract with outside agencies for this purpose) public awareness materials in a range of media, including, but not limited to; print, online, audio, video, or “event.”

Once selected, applicants are required to adhere to all insurance requirements (see Certificate of Insurance Documents Needed).

Contractor acknowledges that he/she/it is acting as public official pursuant to the Contract and shall therefore avoid undertaking any activity or
accepting any payment, employment or gift from any third party that could create a legal conflict of interest or the appearance of any such conflict. A conflict of interest exists when one has the opportunity to advance or protect one’s own interest or private interest of others, with whom one has a relationship, in a way that is detrimental to the interest, or potentially harmful for the integrity or fundamental mission of the COMMISSION. Contractor shall maintain the confidentiality of any confidential information obtained from the COMMISSION during the Contract and shall not use such information for personal or commercial gain outside the Contract. By agreeing to the Contract and accepting financial compensation for services rendered hereunder, Contractor agrees that he/she/it will not subsequently solicit or accept employment or compensation under any program, grant or service that results from or arises out of the funded project and related initiative(s). During the term of the Contract and for one year thereafter, Contractor will not knowingly solicit or accept employment and/or compensation from any COMMISSION collaborator or Contractor without the prior written consent of the COMMISSION.

B. Compliance

Current/Former grantees and/or Contractors must be in good standing and in compliance with all aspects of their contract with the COMMISSION in order to be eligible to apply for the current Request for Qualifications (RFQ). C. Contract Information

1. The COMMISSION may, at its sole discretion, reject any or all submissions in response to this RFQ. The COMMISSION also reserves the right to cancel this RFQ, at its sole discretion, at any time before execution of a contract. The COMMISSION shall not be liable for any costs incurred in connection with the preparation of any submissions in response to this RFQ. Any cover letters, résumés and/or curriculum vita, including attached materials, submitted in response to this RFQ shall become property of the COMMISSION and subject to public disclosure.

2. The agency/organization submitting an application agrees that by submitting an application it authorizes the COMMISSION to verify any or all information and/or references given in the application.
3. The COMMISSION reserves the right, after contract award, to amend the resulting contract, scope of work, and any other exhibits as needed throughout the term of the contract to best meet the needs of all parties.

5. Consistent with the intent of Proposition 10: California Children and Families Act of 1998, no monies for this Project may be used to supplant Federal, State, County and/or other monies available to the organization for any purpose. Activities funded under this proposal must be new or enhancements to existing activities.

6. The award of a contract by the COMMISSION to an individual/agency/organization that proposes to use sub-contractors for the performance of work under the contract resulting from this application process shall not be interpreted to limit the COMMISSION’s right to approve subcontractors, assemble teams and/or assign leads. Each applicant will be evaluated independently for added value to the overall team. A copy of executed subcontract(s) related to Program funding must be provided to the COMMISSION.

7. The selected Contractor will be required to sign the contract at least two (2) weeks prior to the intended start date of the contract, as outlined in Terms of Contract section, to assure the timely completion of the signature process by all parties. If the contract is not signed prior to the intended start date, the commencement of any activities under the Exhibit A – Scope of Work will not begin until the contract execution date (the date all parties have signed the contract) and Contractor will not be eligible to obtain reimbursement for any costs incurred prior to the contract execution date, unless otherwise approved by the COMMISSION. If this Contract is not signed within the thirty-day (30) period from the intended start date, the COMMISSION has the right to withdraw the contract award. Any agreed upon changes to the intended start date must be confirmed in writing by both parties.

9. Per the COMMISSION’s Policy and Guidelines for Hiring Consultants (Section 7), the total composite rate for a Consultant may not exceed $150 an hour. This means that the total cost of billable hours associated with a contract divided by the total number of hours billed must be equal to or less than $150. A blended rate is allowable. For example, for a contract totaling $150,000, a consultant may bill 500 hours for Consultant A at $200/hour, and 500 hours for Consultant B at $100/hour, with a total composite rate of $150/hour (1,000 total hours divided by $150,000 in billable hours = $150/hour).
