During the 2010-11 fiscal year, First 5 LA invested over $133 million in services for young children and families that supported our four Strategic Plan goals.

**Provided access to low-cost health insurance to 48,870 children**

**Children are born healthy $16 million**

**Children maintain a healthy weight $12 million**

**Children are safe from abuse and neglect $14 million**

**Children are ready for kindergarten $91 million**

**Educated 13,314 parents and caregivers about their children's oral health**

**Helped 5,807 children at risk of child abuse and neglect through behavioral, substance abuse and mental health services**

**Provided preventative dental care to 21,161 children**

**Helped 32,409 children (and 22,544 parents/caregivers) find information and services to meet their needs**

**Prepared 39,406 children (and 37,656 parents and caregivers) for kindergarten**

**Helped 28,050 new mothers with access to breastfeeding resources**

**Provided basic family needs (food, clothes and housing) to 5,394 children**
