What is the ELQISAC?

The California Early Learning Quality Improvement System Advisory Committee (ELQISAC) is a new State advisory body that will develop the policy and implementation plan for an Early Learning Quality Improvement System to improve the quality of early education programs.

It is also charged with developing an early learning rating scale that includes features that most directly contribute to high quality care and a funding model aligned with the quality rating scale.

More information about ELQISAC can be found on the California Department of Education website www.cde.ca.gov/sp/cd/re/sb1629committee.asp
