First 5 LA seeks qualified reviewers for a Request for Proposals for individuals applying to conduct the Countywide Systems Improvement Comprehensive Evaluation. The selected reviewers will have broad expertise in the field of research and evaluation, and preferably experience in the Los Angeles area and/or with First 5 LA.

The First 5 LA Countywide Systems Improvement Comprehensive Evaluation

First 5 LA is issuing this Request for Proposals to qualified groups interested in conducting an evaluation of First 5 LA’s Countywide Systems Improvement efforts, specially Resource Mobilization, Policy/Advocacy, Public Education, and Capacity Building. The first part of this study will seek to measure increased public knowledge behavior changes and improved public policies to keep children 0-5 healthy, safe and ready for school, as well as a greater quantity and quality of services available for children 0-5 and their families. The second part of the study will look at the four main strategies First 5 LA has engaged in to achieve those changes – Relationships, Influence, Leverage and Capacity Building – and analyze how they have led to those changes. As part of the RFP process, we seek external reviewers to read and score proposals.
