G. The requirements of this Section XVI shall supersede all other sections and provisions of this Contract to the extent that any other section or provision conflicts with or impairs this Section XVI.

H. All insurance coverage and limits provided by CONTRACTOR and available and applicable to this Contract shall apply to the fullest extent of the policies. Nothing in this Contract shall be interpreted as limiting the application of insurance coverage as required under this Section XVI.

I. CONTRACTOR shall update the designated COMMISSION staff concerning the performance of work under this Contract, including, completing and submitting deliverables. If CONTRACTOR fails to achieve a performance objective by the due date set forth in Exhibits A and C, CONTRACTOR shall notify the designated COMMISSION staff of CONTRACTOR’s failure within thirty (30) calendar days after the due date at which point the
COMMISSION may modify Exhibit A, request from CONTRACTOR a written plan detailing the corrective action steps CONTRACTOR proposes to take to achieve the performance objective and the time period required for reporting and compliance (“Corrective Action Plan”), place CONTRACTOR in non-compliant status pursuant to the Compliance Guidelines or terminate this Contract pursuant to Paragraph C of Section XXII of this Contract for breach of this Contract. Corrective Action Plans are subject to COMMISSION’s approval. If CONTRACTOR fails to comply with an approved Corrective Action Plan, COMMISSION may place CONTRACTOR in non-compliant status in accordance with the Compliance Guidelines, attached as Exhibit F. COMMISSION, at its sole discretion, may also place the CONTRACTOR into non-compliant status without a Corrective Action Plan.

C. If applicable, COMMISSION shall make relevant, non-confidential and non-privileged information available and accessible to CONTRACTOR to assist in CONTRACTOR’s successful completion of the work and deliverables required under this Contract.

D. CONTRACTOR shall provide any deliverables required under Exhibits A and C to the designated COMMISSION staff within and by the timelines required under Exhibits A and C and with the highest degree of quality and service to COMMISSION.

E. CONTRACTOR shall conduct itself and its performance of work under this Contract in an ethical manner, with high integrity and with respect for the individuals involved in the performance of this Contract.

F. COMMISSION, in its sole discretion, may conduct internal evaluations and reviews of CONTRACTOR’s performance of work under this Contract. CONTRACTOR shall comply with COMMISSION’s inquiries and requests arising out of the evaluations. The evaluation(s) shall include, but are not limited to, contract compliance and the effectiveness of CONTRACTOR’s performance of the work and provision of deliverables required under Exhibits A and C and this Contract. COMMISSION may modify this Contract based on the results of the COMMISSION’s evaluation(s) and review(s).

G. If applicable to the performance of work under this Contract, CONTRACTOR shall comply with California Public Contract Code Section 3410, which requires preference to United States-grown
produce and United States-processed foods when there is a choice and it is economically feasible to do so.

H. If applicable to the performance of work under this Contract, CONTRACTOR shall comply with California Public Contract Code Section 22150, which requires the purchase of recycled products, instead of non-recycled products, whenever recycled products are available at the same or lesser total cost than non-recycled items. CONTRACTOR may give preference to suppliers of recycled products and may define the amount of this preference.

I. CONTRACTOR shall provide COMMISSION with timely notification of any major changes to CONTRACTOR’s financial system, primary funding sources or overall organization funding that may negatively impact CONTRACTOR’s ability to perform the work required under this Contract.

XIX. INTERPRETATION AND JURISDICTION

This Contract, and any dispute arising from the relationship between the parties to this Contract, shall be governed by California law. Any dispute that arises under or relates to this Contract (whether contract, tort or both) shall be resolved in a state court in Los Angeles County, California.

XX. COMPLIANCE WITH APPLICABLE LAWS

CONTRACTOR shall conform to and abide by all applicable local, state and federal laws, regulations and ordinances, and licensing and accrediting authorities, in the performance of this Contract, including standards of professional ethics governing the use of assessment tools and standards governing the provision of services via the Internet and telephone and the dissemination of information and educational materials. CONTRACTOR’s failure to comply with such laws, ordinances, codes, regulations and authorities shall be deemed a material breach of this Contract.

XXI. LIMITATION OF COMMISSION OBLIGATIONS DUE TO LACK OF FUNDS

A. COMMISSION’S payment obligations pursuant to this Contract are payable solely from funds appropriated by COMMISSION for the purpose of this Contract. CONTRACTOR shall have no recourse to any other funds allocated to or by COMMISSION. CONTRACTOR acknowledges that the funding for this Contract is limited to the term of the Contract only, with no future funding promised or guaranteed.
B. COMMISSION and CONTRACTOR expressly agree that full funding for this Contract over the term of this Contract is contingent on the continued collection of tax revenues pursuant to Proposition 10 and the continued allocation of Los Angeles County’s share of those revenues to COMMISSION. In the event of any repeal, amendment, interpretation, or invalidation of any provision of Proposition 10 that has the effect of reducing or eliminating COMMISSION’s receipt of Proposition 10 tax revenues, or any other unexpected material decline in COMMISSION’s revenues, COMMISSION may reduce or eliminate funding for this Contract at a level that is generally proportionate to the elimination or reduction in the COMMISSION’s receipt of Proposition 10 tax revenues.

XXII. TERMINATION OF WORK

A. Termination without Cause. Either party may terminate this Contract by giving written notice to the other party at least thirty (30) calendar days before the termination is to be effective. COMMISSION shall compensate CONTRACTOR for work and deliverables satisfactorily rendered to the effective date of termination. Neither party shall have any other claim against the other party by reason of such termination.

B. Termination for Non-Appropriation of Funds. Notwithstanding any other provision of this Contract, COMMISSION shall not be obligated for CONTRACTOR’s performance under this Contract or by any provision of this Contract during any of COMMISSION’s future fiscal years unless and until COMMISSION appropriates funds for this Contract in the COMMISSION’s budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30th of the last fiscal year for which funds were appropriated. COMMISSION shall notify CONTRACTOR in writing of any such non-allocation of funds at the earliest possible date.

C. Termination for Cause. Either party may terminate this Contract for cause, effective immediately, by giving written notice to the other party. For purposes of this Contract “cause” includes CONTRACTOR’s failure to perform the work or provide the deliverables described in Exhibits A and C or a party’s material breach of any provision of this Contract. COMMISSION shall compensate CONTRACTOR for work and deliverables satisfactorily rendered to the effective date of termination. Neither party shall have any other claim against the other party by reason of such termination.
XXIII. ATTORNEY FEES

In any litigation, arbitration or other proceeding by which one party either seeks to enforce its rights under this Contract (whether in contract, tort or both) or seeks a declaration of any rights or obligations under this Contract, the prevailing party shall be awarded reasonable attorney fees, together with any costs or expenses, to resolve the dispute and to enforce the final judgment.

XXIV. RECORDS AND AUDITS

A. CONTRACTOR shall maintain a record for each item of tangible real or personal property of a value in excess of five hundred dollars ($500.00) acquired pursuant to this Contract. The records shall include the model number, serial number, legal description (if applicable), cost, invoice or receipt, and date acquired.

B. CONTRACTOR shall maintain notes, business records, and working papers (collectively “records”) on file during the term of this Contract and for a period of not less than four (4) years following the expiration or termination of this Contract. COMMISSION may, at any time during CONTRACTOR’s business hours, and upon reasonable notice to CONTRACTOR, (i) conduct site visits to evaluate, audit, inspect and monitor CONTRACTOR’s facilities, program operations and the records maintained in connection with this Contract or (ii) audit and examine the records and require supporting documentation, such as employee timesheets and invoices, to substantiate CONTRACTOR’s invoices. COMMISSION may, upon seven (7) days’ advance written notice to CONTRACTOR, inspect and copy the records. The terms of this Section XXIV shall survive the expiration or termination of this Contract for four (4) years.

XXV. NOTICES

A. Notices. Except as otherwise required of CONTRACTOR by COMMISSION, all notices, consents, requests, demands, reports, invoices or other communications required or permitted under this Contract shall be in writing and shall conclusively be deemed effective (1) on personal delivery, (2) on confirmed delivery by courier service, (3) on the first business day after transmission is sent by facsimile, (4) three business days following deposit in the United States mail, by first class mail, postage prepaid, addressed to the party to be notified as set forth below, or to such other addresses as the parties may, from time to time, designate in writing or (5) on the first business day after
transmission is sent by email, if permitted by the designated COMMISSION staff. E-mails shall be confirmed in hard copy by either United States mail, overnight courier or facsimile, as required by the designated COMMISSION staff.

B. Notice of Delays. When either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within three (3) business days, give written notice, including relevant information, to the other party.

XXVI. WORD USAGE

Unless the context clearly requires otherwise, (a) the words “shall” or “agrees” are mandatory, and “may” is permissive; (b) “or” is not exclusive; and (c) “includes” and “including” are not limiting.

XXVII. MODIFICATION OF CONTRACT
This Contract may be supplemented, amended or modified only by a writing signed by both parties. No oral conversation, promise or representation by or between any officer or employee of the parties shall modify any of the terms or conditions of this Contract. COMMISSION shall not be deemed to have approved or consented to any alteration of the terms of this Contract, including its Exhibits, by virtue of COMMISSION’s review and approval of, or failure to object to, contracts or other business transactions entered into by CONTRACTOR.

XXVIII. ASSIGNMENT AND DELEGATION

CONTRACTOR may not assign any of its rights or delegate any of its duties under this Contract without COMMISSION’s prior written consent, which consent may be withheld in COMMISSION’s sole and absolute discretion. If COMMISSION consents to CONTRACTOR’s subcontracting of all or a portion of this Contract, CONTRACTOR shall submit to COMMISSION all proposed subcontractors and/or a copy of the subcontract or memorandum of understanding between CONTRACTOR and the subcontractor if required by the designated COMMISSION staff for COMMISSION’s prior review and approval. CONTRACTOR shall provide copies of executed subcontracts if requested by the designated COMMISSION staff. Despite COMMISSION’s consent, COMMISSION shall not be liable for the actions of the subcontractors and no assignment or delegation will release CONTRACTOR from any of its obligations or alter any of its primary obligations to be performed under this Contract. Any attempted assignment or delegation in violation of this provision is void and will entitle COMMISSION to terminate this Contract. As used in this Section XXVIII, “assignment” and “delegation” means any sale, gift, pledge, hypothecation, encumbrance, subcontract or other transfer of all or any portion of the rights, obligations or liabilities in or arising from this Contract to any person or entity, whether by operation of law or otherwise, and regardless of the legal form of the transaction in which the attempted transfer occurs or any change in CONTRACTOR’s corporate structure, governing body or management.

XXIX. WAIVER

No delay or omission to exercise any right, power or remedy accruing to COMMISSION under this Contract shall impair any right, power or remedy of COMMISSION, nor shall it be construed as a waiver of, or consent to, any breach or default. No waiver of any breach, any failure or a condition or any right or remedy under this Contract shall be (1) effective unless it is in writing and signed by the party making the waiver; (2) deemed to be a waiver of, or consent to, any other breach, failure of condition or right or remedy; or
(3) deemed to constitute a continuing waiver unless the writing expressly so states.

XXX. ENTIRE AGREEMENT

This Contract and all exhibits referred to in this Contract constitute the final, complete and exclusive statement of the terms of the agreement between the parties and supersede all other prior or contemporaneous oral or written understandings and agreements of the parties. No party has been induced to enter into this Contract by, nor is any party relying on, any representation or warranty except those expressly set forth in this Contract.

XXXI. TIME OF ESSENCE

Time is of the essence in respect to all provisions of this Contract that specify a time for performance; provided, however, that the foregoing may not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Contract.

XXXII. AMBIGUITIES

Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Contract.

XXXIII. HEADINGS

The headings in this Contract are included solely for convenience or reference and shall not affect the interpretation of any provision of this Contract or any of the rights or obligations of the parties of this Contract.

XXXIV. SEVERABILITY

If a court or an arbitrator of competent jurisdiction holds any provision of this Contract to be illegal, unenforceable or invalid for any reason, the validity and enforceability of the remaining provisions of this Contract shall not be affected.
