ARRA Special Education Awards for Children with Disabilities (Aged 0-5) in Los Angeles County

NOTES & SOURCES:
ARRA awards are mapped by recipient addresses and do not necessarily reflect the location of services. This reflects a limitation of the data.

The P-5 High Need Index was developed by Healthy City, Advancement Project, 2010. The index includes the following indicators:
1. Population aged 0-5
2. Families at or below 100% of the federal poverty line
3. Number of births <1,500 grams (very low birth weight)
4. Adults with < high school diploma
5. Number of teen births
Index scores were derived by calculating the distance each zip code is from the county average.

Data Sources:
ARRA award data from www.recovery.gov and from www.recovery.ca.gov
Data Sources for the Need Index: Demographic data from Nielsen/Claritas, 2009 Estimates; Birth data from California Department of Public Health, 2008 (most recent year available).

AWARD RECIPIENTS:
1. Eastern L.A. Regional Center
2. Culver City Unified School District
