Dear Prospective Applicant:

On behalf of First 5 LA, I am pleased to present this Request for Proposals (RFP) for the HMG-LA Pathways: Together Strengthening Connections for Kids and Families Investment.

First 5 LA is seeking proposals from organizations interested in serving as a Unifying Agency that will form and be an equal partner in a collaborative of agencies and sectors that provide early identification and intervention services and supports within a given geographic region to plan, test and refine approaches related to referral pathways. An organization may be selected to serve as the Unifying Agency in more than one HMG-LA Pathways community, but a separate application is required for each community. A maximum of seven (7) Unifying Agencies will be awarded to form a collaborative per community to strengthen referral pathways between service sectors, resulting in a total of 7 HMG-LA Pathways communities across Los Angeles County.

To be eligible for consideration, applicants must submit a complete application including attachments online at www.first5la.org/FundingCenter. Applications will be accepted on an ongoing basis through **January 06, 2020 by 5:00 p.m. PT.**

If you have any questions about this RFP, please email your questions to Daisy Ortiz at dortiz@first5la.org.

Thank you for your interest in our mission to strengthen families, communities, and systems of services so all children of L.A. County enter kindergarten ready to succeed in school and life.

Sincerely,

Kim Belshé
Executive Director
