

**HOME VISITING AND COMMUNITY HEALTH WORKER PILOT RFQ**  
**Questions and Answers**  
**Date Posted: September 22, 2023**

**1. Question: Are you expecting the selected consultant to be a current Welcome Baby provider?**

**Response:** No, that is not an expectation. If a Welcome Baby provider is interested in applying, they can. Please review Section VI. Desired Qualifications which denote the qualifications desired for this project.

**2. Questions:**

- **How many contracts will be awarded during this RFQ?**
- **How many organizations will be funded by this pilot program?**

**Response:** One contract will be awarded for this specific RFQ.

**3. Questions:**

- **I'm one of your Welcome Baby grantees. We are wondering if/how our site can be included in the pilot project that is implemented by the contractor you select.**
- **Will First 5 LA identify the pilot sites?**

**Response:** There is no current selection plan to identify Welcome Baby pilot sites. The aim is for the selection plan to be driven by data derived from the consultant's work.

**4. Question: Does the opportunity extend to non-profit organizations based in Orange County or LA County only?**

**Response:** We are looking for proposals from qualified organizations (which could include non-profit organizations) and/or consultants. Please review Sections III. Project Overview, IV. Scope of Work, V. Eligibility, and VI. Desired Qualifications for more information. This solicitation does not have a location requirement.

**5. Question: We had issues accessing Appendix E (Litigation and Contract Compliance Form) and Appendix F (Conflict of Interest Form). Please provide us with Appendix E and F.**
