Dear Prospective Applicant:

On behalf of First 5 LA, I am pleased to present the Enterprise Resource Planning Software Request for Proposals (RFP). First 5 LA is seeking proposals from qualified firms to provide the following:

- A single vendor, full ERP solution providing all required modules and services;
- A partnership or multi-respondent solution, in which two or more vendors jointly propose an integrated ERP solution, with one vendor identified as the prime vendor; or
- A standalone, best-of-breed proposal from a vendor offering a partial solution, individual module, or functional component of the overall ERP system.

To be eligible for consideration, applicants must submit a complete application including attachments online at <https://www.first5la.org/news-resources/funding-center/>. Applications will be accepted on an ongoing basis through June 23, 2026, by 5:00 PM.

If you have any questions about this RFP, please email your questions to Jessica Guerrero-Franco at jguerrero-franco@First5la.org.

Thank you for your interest in our mission to advocate for children and their families, amplify community voice and partner for collective impact so that every child in Los Angeles County reaches their full developmental potential throughout the critical years of prenatal to age 5.
