Dear Prospective Applicant:

On behalf of First 5 LA, I am pleased to present this Request for Qualifications, RFQ, for a Policy Technical Assistance Consultant. First 5 LA is seeking proposals from qualified consultants or firms (without subcontractors) to effectively provide technical assistance to First 5 LA staff, leadership, its Board of Commissioners, and grantees/partners on interpreting policy and budget decisions on the federal and state levels, and their implications for Los Angeles County’s prenatal to 5 population.

To be eligible for consideration, applicants must submit a complete application including attachments online at [Funding Center | First 5 Los Angeles](#). Applications will be accepted on an ongoing basis through July 24, 2026, by 5:00 PM.

If you have any questions about this RFQ, please email your questions to Kevin Proff at kproff@first5la.org.

Thank you for your interest in our mission to advocate for children and their families, amplify community voice and partner for collective impact so that every child in Los Angeles County reaches their full developmental potential throughout the critical years of prenatal to age 5.

Sincerely,

Karla Pleitéz Howell
